All-Hazards Position Specific Instructors Database now Posted on EMI Website

The national database for NIMS ICS All-Hazards Position Specific Instructors has now been posted on the Emergency Management Institute's (EMI's) website. Posting the list on the website improves accessibility and simplifies the process of adding and deleting instructors. All Regional Training Managers, State Training Officers (STO), and NIMS Training Coordinators have been provided access to the list, as well as directions for sorting by class, Region, or state.

Position Specific Train-the-Trainer Classes Fiscal Year 2011 at EMI

16 offerings of NIMS ICS All-Hazards Position Specific Command and General Staff train-the-trainers classes are scheduled at the National Emergency Training Center (NETC) EMI during fiscal year (FY) 2011. The full schedule and link to the FY 2011 training schedule may be viewed on EMI's training website at www.training.fema.gov/.

Personnel interested in taking one or more of these courses are urged to submit completed 75-5 forms to NETC Admissions through their respective STO. A total of three applicants per Region will be accepted into each class. Additional applicants will be placed on a waiting list to fill openings.
