Date:

| | |
|--------------------|--|
| Feb 14-17, 2011 | National Emergency Training Center (NETC), Emergency Management Institute (EMI) Emmitsburg, Maryland |
| Mar 28-31, 2011 | NETC, EMI, Emmitsburg, Maryland |

Course Length:

4 days. Travel days are Sunday and Friday.

Target Audience:

Emergency Managers, city/county administrators, public works directors, building inspectors, community planners, fire chiefs, and police chiefs.

Course Description:

This course was COMPLETELY REVISED in 2010 and is designed for local disaster recovery teams consisting of Emergency Managers, city/county administrators, public works directors, building inspectors, and community planners. The course focuses on the roles and responsibilities of each team member and provides guidance on developing a local disaster recovery plan. Best practices in disaster recovery are summarized in a CD-ROM toolkit included in the course materials. Participants are given the opportunity to develop an outline of their own recovery plan during the course.

Course Goal:

1. Increase local government awareness of issues involved in disaster recovery.
2. Provide a forum for discussion of “lessons learned” in disaster recovery at the local level.
3. Promote the development of a pre-disaster recovery plan.

Prerequisite:

None.

Continuing Education Units (CEU):

EMI awards 2.5 CEUs for completion of this course.
