HEALTH AND HUMAN SERVICES (HHS)/PAYMENT MANAGEMENT SYSTEM (PMS) CLOSEOUT INSTRUCTIONS

September 2009

HHS/PMS Closeout Instructions

Once the ADO has determined that an agreement can be closed in HHS/PMS the ADO will provide a copy of the closeout amendment (REE-451) from ARIS/AIMS to the appropriate Area employee responsible for maintaining the HHS/PMS.

The ADO or the responsible person for HHS/PMS should check the accounting system to ensure that the agreement information matches the closeout information and prints the screen for the official file.

Closing an agreement in HHS/PMS is a 2-step On-Line Authorization process. A user can have both online authorization capability and approve on-line authorization capability; however, the user who enters an on-line authorization **cannot** approve the same on-line authorization.

User #1: Logs onto HHS/PMS Prints FCO/E Report Click on Authorization menu option Click on On-Line Authorization Fills in the blanks on the On-Line Authorization form Clicks Submit

User #2: Logs onto HHS/PMS Click on Authorization menu option Click on On-Line Authorization Approval Click button to the left of the authorization transaction to approve Click Select Review on-line authorization for correctness Click on Approve or Disapprove

The following 4 sections outline the agreements closeout procedures in HHS/PMS.

A.	How to Logon to HHS	. 3
B.	How to Print FCOE/Report	.6
