

U.S. Department of Labor Health Benefits Education Campaign in coordination with the Louisiana Department of Insurance

#### Presents:

# Health Benefits Laws Compliance Assistance Seminar March 13-14, 2013

## Why should you attend this seminar?

If you are an employer who is trying to comply with federal and Louisiana state laws regarding your health plan, this is your chance to talk to both federal and Louisiana state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Louisiana Department of Insurance to bring you practical information, helpful tips, and clarification regarding Louisiana and federal health benefits laws. In addition to the U.S. Dept. of Labor and the Louisiana Department of Insurance, a representative from the Internal Revenue Service will join us.

<u>This seminar is FREE</u> and open to the public. Please fill out and return the registration form on the back of this brochure as soon as possible by <u>email</u>, or by fax or phone (see back for contact information).
