SECTION B: CLIENT COUNT INFORMATION

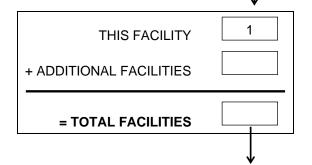

IMPORTANT: Questions in Section B ask about different time periods, e.g., the single day of March 31, 2008, and the 12-month period ending on March 31, 2008. Please pay special attention to the period specified in each question.

IF THIS IS A MENTAL HEALTH FACILITY: Include in your client counts all clients receiving substance abuse treatment, even if substance abuse is their secondary diagnosis.

32. Questions 33 through 38 ask about the number of clients in treatment at this facility. SAMHSA would prefer to get this information separately for this facility, that is, the facility listed on the front cover. However, we understand there are situations when this is not possible.

How many facilities will be included in the client counts reported in questions 33 through 38?

- □ Only this facility → SKIP TO Q.33 (TOP OF NEXT COLUMN)
- 2 ☐ This facility plus others
- □ Client counts for this facility will be reported by another facility → SKIP TO Q.40 (PAGE 12)

Attach a separate piece of paper listing the name and location address of each facility included in your client counts. If you prefer, we will contact you for a list of the other facilities included in your client counts.
