**Re: Application by US Bank, National Association, Cincinnati, Ohio to purchase certain assets and assume certain liabilities of First Bank of Idaho, Ketchum, Idaho
OCC Application Number: 09-CE-02-008**

Dear Mr. Good:

The Office of the Comptroller of the Currency (“OCC”) approves the application of US Bank National Association, Cincinnati, Ohio (“Acquirer”) to purchase certain assets of and assume certain liabilities of First Bank of Idaho, Ketchum, Idaho (“Failed Entity”), for the reasons set below. As discussed below, the transaction may be consummated immediately upon approval. 12 U.S.C. § 1828(c)(6).

“Failed Entity”, a Federal Savings Bank with deposits insured by the Federal Deposit Insurance Corporation (“FDIC”), was declared closed by the Office of Thrift Supervision on April 24, 2009, and the FDIC was appointed as receiver. The Comptroller has now been asked to grant his written approval of the proposed agreement negotiated between the FDIC and Acquirer by which the latter would purchase certain assets and assume certain liabilities of Failed Entity.

This approval is granted based upon the information contained in the Acquirer’s application and other information and representations made to the OCC during its processing of the application.

The Purchase and Assumption

Acquirer applied to the OCC for approval to purchase certain assets of and assume certain liabilities of Failed Entity under 12 U.S.C. §§ 24 (Seventh) and 1828(c) (the “Transaction”). The Acquirer and Failed Entity are located in Idaho and the Failed Entity’s branches are located in Idaho and Wyoming. A national bank may acquire all or part of a depository institution through a purchase and assumption transaction under 12 U.S.C. § 24 (Seventh). Thus, the Transaction is legally authorized and the OCC approves the Transaction.

Acquirer also requested OCC approval to retain the branches of Failed Entity upon consummation of the Transaction. As authorized by 12 U.S.C. § 36(c), and Idaho and Wyoming intrastate branching law made applicable to national banks by section 36(c), the OCC approved Acquirer's retention of Failed Entity's branches as branches of Acquirer.

Bank Merger Act

The OCC reviewed the proposed purchase and assumption Transaction under the criteria of the Bank Merger Act, 12 U.S.C. § 1828(c), and applicable OCC regulations and policies. The OCC considered the financial and managerial resources of the banks, their future prospects, and the convenience and needs of the communities to be served. In addition, the Bank Merger Act requires the OCC to consider "the effectiveness of any insured depository institution involved in the proposed merger Transaction in combating money laundering activities, including overseas branches," 12 U.S.C. § 1828(c)(11). We considered these factors and found them consistent with approval under the statutory provisions.

In addition, the OCC also finds, under the standards set forth in the Bank Merger Act, that it must act on the application immediately. 12 U.S.C. § 1828(c)(3), (4)(C)(i), and (6). Consequently, there is no requirement for publication of notice of the Transaction, for a request by the OCC of a competitive factors report from the Attorney General, or for a post-approval waiting period prior to consummation of the Transaction.

Community Reinvestment Act

The Community Reinvestment Act ("CRA") requires the OCC to take into account the applicants' records of helping to meet the credit needs of the community, including low-and-moderate-income ("LMI") neighborhoods, when evaluating certain applications, including transactions that are subject to the Bank Merger Act. 12 U.S.C. § 2903; 12 C.F.R. § 25.29. The OCC considers the CRA performance evaluation of each institution involved in the Transaction. A review of the record of these applicants and other information available to the OCC as a result of its regulatory responsibilities, revealed no evidence that the applicants' records of helping to meet the credit needs of their communities, including LMI neighborhoods, is less than satisfactory.

Consummation Guidance

This approval is granted based on our understanding that other applicable regulatory approvals, non-objections or waivers with respect to the proposed Transaction will have been received prior to the consummation of the Transaction.
