(3)	Facility Management (MCXD-L-FM) 270-412-8928	<ul style="list-style-type: none"> • Repair and Replacement (physical structure) <ul style="list-style-type: none"> ✓ Work Orders / J&J call: <ul style="list-style-type: none"> Inside BACH – 5603 Outside BACH – 931-431-5400 • New Work • MILCON Project Management
(4)	Supply Center / IMSA (MCXD-L-SC) 270-956-0465	<ul style="list-style-type: none"> • Supply • Purchasing • Distribution

Notes:

- Each of the aforementioned functional areas are critical in supporting the provision of direct patient care and medical readiness of military units
- DMLSS is the standard automation information system used by Logistics to conduct business; Customers request a DMLSS Log-In and Password in order to conduct logistics business
- Hand Receipt Holders are required to conduct an Annual Inventory of equipment in their area of responsibility
- New Capital Equipment is requested using a CEEP Form and submitting that for approval at the Program Budget Advisory Committee (PBAC)
