MEMORANDUM FOR: SUPPLY PRC MEMBERS

SUBJECT: Approved DLMS Change 49, Revision to DLMS Supplement (DS) 517M,
Material Obligation Validation (MOV) (Supply)

This change to the DoD 4000.25-M, Defense Logistics Management System (DLMS), reflects an administrative change to the DS 517M, MOV, required to support continued logistics operations in a DLMS/DLSS environment. A corresponding change to the Federal IC is required prior to implementation of this revision. The DS will be posted to the DLMSO web site (<http://www.dla.mil/j-6/dlms/ICs/Default.htm>) immediately upon coordination/ approval from the DoD Electronic Data Interchange Standards Management Committee (EDISMC) and Logistics Functional Working.

Addressees may direct questions to the DLMSO points of contact, Ms. Ellen Hilert, Co-Chair, Supply Process Review Committee, 703-767-0676, DSN 427-0676, or email: ellen_hilert@hq.dla.mil or Ms. Vermella Saváge, DoD MILSTRIP System Administrator, 703-767-0674, DSN 427-0674, or e-mail: vermella_savage@hq.dla.mil. Others must contact their Service or Agency designated representative.

JAMES A. JOHNSON
Director
Defense Logistics Management
Standards Office

Approved Change 49
Revision to DLMS Supplement (DS)
517M, Material Obligation Validation (MOV)

1. ORIGINATOR:

a. Sponsor: Supply Process Review Committee, Ellen Hilert, Co-Chair, DLA J673, Defense Logistics Management Standards Office (DLMSO), 703-767-0676 (DSN 427), ellen_hilert@hq.dla.mil

2. FUNCTIONAL AREA: Supply

3. REQUESTED CHANGE:

a. Title: Revision to DS 517M, MOV.

b. Description of Change: This change modifies the DS to open the 2/QTY03/10 to accommodate the unit of issue applicable to the material being validated.

c. Procedures: Revise DLMS Supplements as indicated. Yellow highlighting in the enclosure identifies changes within the context of the DS.

#	Location	Revision	Reason	Federal IC
1	2/QTY03/10	<p><u>Open data element:</u> C001 Composite Unit of Measure <u>Add Federal Note:</u> Use to identify the unit of issue for the material validated. <u>Add DLMS Note:</u> DLMS users see the Unit of Issue and Purchase Unit Conversion Table for available codes.</p>	Reinsertion of previously streamlined data to support DLSS-DLMS conversion.	Open data element. Requires a Federal IC change prior to DS update.

d. Alternatives: None identified.

4. REASON FOR CHANGE: This change is required for successful conversion between the DLSS MOV transaction and the corresponding DLMS implementation. Under the original DLMS concept the unit of issue applicable to the MOV would be resident in both the sender and receiver's systems and transmission was not considered necessary. Current thinking is that the unit of issue must be retained to support conversion and may be retained under the future DLMS.

5. ADVANTAGES AND DISADVANTAGES:

a. Advantages: Supports DLMS implementation.

b. Disadvantages: None identified.

6. IMPACT:

a. Publications. Corresponding Federal IC.

b. DAAS DLMS/DLSS conversion maps incorporate the above revision. No change required.
