MEMORANDUM FOR DEFENSE MEDICAL LOGISTICS STANDARD SUPPORT
COLONEL CATHERINE M. ERICKSON

SUBJECT: DLMSS Request for Waiver for Migration to the Defense Logistics
Management Standard (DLMS)

Your request for waiver, September 15, 2004, as it applies to the DLMSS incorporation of ASC X12/XML is approved. This waiver approval extends to October 2006 your implementation of ASC X12/XML file equivalents for your DMLSS MILS files. Request you report implementation status as required by *DoD Implementation Plan for Adoption of Commercial Electronic Data Interchange Standards for DoD Logistics*, April 2000 (amended January 2004), section 2.3.3. Further request you remind your customers of the DoD 4140.1-R (Appendix AP13.1.7) policy that 'all' DLMS transactions must be routed through the Defense Automatic Addressing System Center. POC for this action is Mr. James A. Johnson, Director, DLMSO, telephone at (703) 767-0670, email at ja.johnson@dla.mil.
