Provide a copy of my TTB application to my State Representative?

The Permits Online system has replaced the old paper application forms. Therefore, if you submitted your TTB application through Permits Online you will not be able to provide your State with the TTB application forms. However, there is a way to view all the application questions and your answers within the online system which you could print out to give to your State Representative. Follow the steps below to acquire this information.

- Login to Permits Online
