Re: Reissuance of Suspension Notice to Include All Affiliates

Ladies & Gentlemen:

On behalf of the Defense Logistics Agency (DLA), on and after November 16, 2009, the Suspension and Debarment Official (SDO) suspended The Public Warehousing Company KSC (also known as Agility) (PWC/Agility) and more than 120 of its affiliates from Government contracting and from directly or indirectly receiving the benefits of federal assistance programs or from purchasing surplus Government property under the Federal Property and Management Regulations. Since that time, additional affiliates of PWC/Agility have been identified. Therefore, I have initiated this action pursuant to the authority of, and the debarment procedures contained in, the Federal Acquisition Regulation (FAR) Subpart 9.4. For your information, FAR Subpart 9.4, the Defense FAR Supplement (DFARS) 209.4, and 2 C.F.R. Part 1125 may be located on the Internet at <http://www.acq.osd.mil/dpap/dars/dfarspgi/current/index.html> and <https://www.acquisition.gov/Far/>.

On November 9, 2009, a Criminal Indictment was filed against PWC/Agility in the United States District Court for the Northern District of Georgia for violations of 18 U.S.C. § 371 (Conspiracy to Commit an Offense), 18 U.S.C. § 1031 (Major Fraud Against the United States), and 18 U.S.C. § 1343 (Fraud by Wire).

Pursuant to FAR 9.407-1(c), suspension may be extended to affiliates of a contractor, as defined in FAR 9.403 ("Affiliates."). Because PWC/Agility is the parent of the attached companies, which are listed by address and DUNs numbers, they are each suspended based on their affiliation with PWC/Agility, a criminally indicted company. These suspensions are temporary pending the completion of the legal proceedings against PWC. This letter constitutes written notice to each of the affiliates pursuant to FAR Subpart 9.407-1(c)(2). Some of these companies have been previously notified of their suspended status. Effective throughout the executive branch of the Federal Government, the suspension applies to both procurement and sales contracting. A temporary measure, the suspension stays in place pending completion of the legal proceedings and has the following consequences:

1. Each PWC/Agility affiliate company's name will be published in the List of Parties Excluded From Federal Procurement and Nonprocurement Programs, a publication of the General Services Administration that contains the names of contractors debarred, suspended, proposed for debarment, or declared ineligible by any agency of the Federal Government. You may also access the list on the Internet at <http://www.epls.gov>.

2. Offers will not be solicited from, contracts will not be awarded to, existing contracts will not be renewed or otherwise extended for, and subcontracts requiring Government approval will not be approved for any listed company by any agency in the executive branch of the Federal Government unless the head of the agency taking the contracting action or a designee states in writing the compelling reason for continued business dealings between the company and the agency.

3. Any listed company may not conduct business with the Federal Government as an agent or representative of other contractors, nor may it act as an individual surety for other contractors.

4. No Government contractor may award a subcontract equal to or in excess of \$30,000 to any listed company unless there is a compelling reason to do so and the contractor first notifies the contracting officer and further complies with the provisions of FAR 9.405-2(b).

5. No agency in the executive branch shall enter into, renew, or extend primary or lower-tier covered transactions in which any listed company is either a participant or principal, unless the head of the agency grants an exception in writing. (Covered transactions are defined at 2 C.F.R. Part 1125).

6. Any listed company may not act as an agent or representative of other participants in federal assistance programs.

7. Any listed company's affiliation with or relationship to any organization doing business with the Government will be carefully examined to determine the impact of those ties on the responsibility of that organization to be a Government contractor or subcontractor.

Within 30 calendar days after receipt of this notice, you or a representative on your behalf may submit, either in person or in writing, or both, information and argument in opposition to the suspension. If you designate a representative to respond on your behalf, please notify my counsel in writing of the identity of the representative. The designation should specifically state the names and addresses of all individuals or companies the designee has the authority to represent in this matter.

Your submission, if any, should include any specific information that may raise a genuine dispute over facts material to the suspension. If it is found that the information or argument

submitted raises a genuine dispute over material facts, fact-finding may be conducted to determine the disputed facts. Facts proved by indictment or criminal information, however, are not subject to dispute in this suspension proceeding.

This suspension proceeding has been initiated on the basis of an administrative record. A copy of the record will be furnished upon request. Any written information you submit will become a part of the administrative record. Information or argument presented orally will be considered as part of the administrative record only to the extent such information and argument is submitted in written form.

Any communications regarding this matter should be directed to my counsel, Noël Woodward, at (703) 767-6068. Any written submission should be forwarded to her at the Office of General Counsel (DG), Defense Logistics Agency, 8725 John J. Kingman Road, Stop 2533, Fort Belvoir, Virginia, 22060-6221. Also email an electronic copy of all submissions to [noel.woodward@dla.mil](mailto:noel.woodward@dla.mil).

Sincerely,
