National Survey of Substance Abuse Treatment Services (N-SSATS)

March 31, 2009

Substance Abuse and Mental Health Services Administration (SAMHSA)

PLEASE REVIEW THE FACILITY INFORMATION PRINTED ABOVE. CROSS OUT ERRORS AND ENTER CORRECT OR MISSING INFORMATION.

CHECK ONE

- ☐ Information is complete and correct, no changes needed
- □ All missing or incorrect information has been corrected

Would you prefer to complete this questionnaire online? See the pink flyer enclosed in your questionnaire packet for the Internet address and your unique user ID and password. You can log on and off the website as often as needed to complete the questionnaire. When you log on again, the program will take you to the next unanswered question. If you need more information, call the N-SSATS helpline at 1-888-324-8337.

INSTRUCTIONS

- Most of the questions in this survey ask about "this facility." By "this facility" we mean the specific
 treatment facility or program whose name and location are printed on the front cover. If you have any
 questions about how the term "this facility" applies to your facility, please call 1-888-324-8337.
- Please answer ONLY for the specific facility or program whose name and location are printed on the front cover, unless otherwise specified in the questionnaire.
- Return the completed questionnaire in the envelope provided. Please keep a copy for your records.
- For additional information about this survey and definitions of some of the terms used, please visit our website at http://info.nssats.com.
- If you have any questions or need additional blank forms, contact:

MATHEMATICA POLICY RESEARCH, INC. 1-888-324-8337

IMPORTANT INFORMATION

* <u>Asterisked questions</u>. Information from asterisked (*) questions will be published in SAMHSA's *National Directory of Drug and Alcohol Abuse Treatment Programs* and will be available online at http://findtreatment.samhsa.gov, SAMHSA's Substance Abuse Treatment Facility Locator.

<u>Mapping feature in Locator</u>. Complete and accurate name and address information is needed for the online Treatment Facility Locator so it can correctly map the facility location.

<u>Eligibility for Directory/Locator</u>. Only facilities designated as eligible by their state substance abuse office will be listed in the *National Directory* and online Treatment Facility Locator. Your state N-SSATS representative can tell you if your facility is eligible to be listed in the Directory/Locator. For the name and telephone number of your state representative, call the N-SSATS helpline at 1-888-324-8337.

SECTION A: FACILITY CHARACTERISTICS

Section A asks about characteristics of individual facilities and should be completed for this facility only, that is, the treatment facility or program at the location listed on the front cover.

1.	Which of the following substance abuse services
	are offered by this facility at this location, that is,
	the location listed on the front cover?

	are offered by this facility at this location, that is, the location listed on the front cover?

The information you provide will be protected to the fullest extent allowable under the Public Health Service Act, 42 USC Sec 501. This law permits the public release of identifiable information about an establishment only with the consent of that establishment and limits the use of the information to the purposes for which it was supplied. With the explicit consent of eligible treatment facilities, information provided in response to survey questions marked with an asterisk will be published in SAMHSA's *National Directory of Drug and Alcohol Abuse Treatment Programs* and the Substance Abuse Treatment Facility Locator. Responses to non-asterisked questions will be published only in statistical summaries so that individual treatment facilities cannot be identified.

Thank you for your participation. Please return this questionnaire in the envelope provided. If you no longer have the envelope, please mail this questionnaire to:

ATTN: RECEIPT CONTROL - Project 8945 P.O. Box 2393 Princeton, NJ 08543-2393

Public burden for this collection of information is estimated to average 40 minutes per response including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to SAMHSA Reports Clearance Officer, Room 7-1044, 1 Choke Cherry Road, Rockville, MD 20857. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number for this project is 0930-0106.
