INSTITUTION

INSTITUTION'S CRA RATING: This institution is	rated
---	-------

Summarize the major factors supporting the institution's rating. When evidence of discriminatory or other illegal credit practices inconsistent with helping to meet community credit needs has been identified in the supervisory process, the conclusion must include a statement if the rating was influenced by this evidence. The conclusion should not mention any technical violations.

SCOPE OF EXAMINATION

Write a short description of the scope of the examination. Discuss how CRA activities were reviewed (using full-scope or limited-scope review). Include a description of loan samples used in your analysis. When appropriate, you may also refer the reader to a chart similar to that included in Appendix A.

DESCRIPTION OF INSTITUTION

Write a brief description of the institution. Include relevant information regarding the institution's holding company and affiliates, if any, the states and assessment areas served, the institution's ability to meet various credit needs based on its financial condition and size, product offerings, prior performance, legal impediments and other factors. Other information that may be important includes total assets, asset/loan portfolio mix, primary business focus, branching network, and any merger or acquisition activity.

CONCLUSIONS WITH RESPECT TO PERFORMANCE

Discuss the institution's overall CRA performance. The facts, data and analyses that were used to determine the overall rating should be reflected in the performance evaluation. The narrative should clearly demonstrate how the analyses of each of the performance criteria, and relevant information from the performance context, factored into the overall institution rating. Discuss what effect, if any, community development activities outside of the assessment area(s) and the broader statewide or regional area(s) that includes the institution's assessment area(s) may have on the rating. Charts and tables should be used whenever possible to summarize and effectively present the most critical or informative data used by the examiner in analyzing the institution's performance and reaching conclusions.

FAIR LENDING OR OTHER ILLEGAL CREDIT PRACTICES REVIEW

Write a paragraph about the institution's record of complying with laws relating to discrimination or other illegal credit practices inconsistent with helping to meet community credit needs using the following guidelines:

If no substantive violations were found, state that no evidence of discriminatory or other illegal credit practices inconsistent with helping to meet community credit needs was identified. Even if discrimination has not been found, comments related to the institution's fair lending policies, procedures, training programs and internal assessment efforts may still be appropriate.

When substantive violations involving discriminatory or other illegal credit practices inconsistent with helping to meet community credit needs have been identified, state that substantive violations were found, whether they caused the CRA rating to be adjusted downward, and why the rating was or was not adjusted. Identify the law(s) and regulation(s) violated, the extent of the violation(s) (e.g., widespread, or limited to a particular office, division, subsidiary, or affiliates) and characterize management's responsiveness in acting upon the issue(s). Discuss whether the institution has policies, procedures, training programs, internal assessment efforts, or other practices in place to prevent discriminatory or other illegal credit practices. State whether management has taken, or has committed to take, corrective action particularly with respect to voluntary corrective action resulting from self-assessment(s).
