Education and Awareness

The Education and Awareness Division will be focused on:

- Promoting all SETA products and services
- Managing all SETA websites
- Participating in security community conferences, seminars, and meetings
- Chairing the Security Awareness & Education Working Group (SAEWG) - A forum for members to develop, coordinate, recommend, disseminate and leverage security awareness and education resources and products.
- Facilitating the DOD Security Managers' Conference
- Managing the Security Awareness Forum for Educators (SAFE) - A 'how to" forum to develop a low-cost, tailored security education program.
- Coordinating DSS conferences and mobile training events
- Staffing DSS exhibit booths
- Producing our eNews newsletters and Broadcast News videos.

DOD Initiatives

DOD Security Managers Conference

We are currently planning the next DOD Security Managers Conference. Please contact us if you have any ideas or recommendations on topics you would like to have covered, and with regard to training sessions that are made available at the conference. Contact us at: security.awareness@dss.mil

Resource Center

This new facility is available to all students or visitors. It includes:

- A customer media center
- Internet access
- Guest speaker preparation facilities
- Display and Distribution Center for SETA products

Reference Materials

The following reference materials will soon be available through our expanded SETA web sites:

- Customizable Security Guide (CSG)
- Automated Briefing System (ABS)
- Training Providers Catalog
- Glossary of Terms & Definitions
- Knowledge Base Library

Visit our web site for additional information and updates on our deployment of these materials.
