

Attachment 1: Going Green – View Your FEHB Brochure Online or Contact Your Plan for a Paper Brochure

Please remember that paper copies of health plan brochures will not be automatically mailed to Federal Employees Health Benefits (FEHB) Program members.

Health plan brochures are available online at www.opm.gov/FEHBbrochures/ or on your health plan's website. Accessing brochures online will help to lower administrative costs and protect natural resources.

Your FEHB health plan will contact you to offer the option of obtaining your 2013 benefit brochure online or requesting a paper copy of the benefit brochure. **If you did not previously request a paper copy of your health plan's brochure, you will not automatically receive one.** If you change plans, your new health plan will mail you a paper copy of its brochure.

If you choose to review the online version of your plan's benefit brochure, you will still receive the Open Season package your plan normally mails to you. This package will include an explanation of benefit changes and your new premium rate for 2013.

Go to www.opm.gov/FEHBbrochures/ to view your FEHB health plan brochure and to get more information about our Going Green initiative.
