

## **Recycling Made Easy!**

Whether you live on Fort Stewart, Hunter Army Airfield, or in any of our surrounding communities you can take advantage of several Recycling Convenience Centers located on post. Recycling supports not only the Installation, but also the local communities by reducing the amount of material that would otherwise fill up the on-post and regional landfills. This affects all of us!

Feel free to drop off your cardboard and commingled recyclables at any of the 24-hour locations listed below.

### **Fort Stewart:**

- Post Exchange (PX) Parking Lot
- McFarland Avenue & Sigma Street
- Bultman Street (Bldg 1190)

### **Hunter Army Airfield:**

- Post Exchange (PX) Parking Lot
- Georgia Hussars Street & Cook Boulevard
