| Vietnam      | Mango                  |
| Vietnam      | Star apple             |

This list reflects all import requests currently being evaluated by APHIS-PPQ that meet the requirements in Title 7, Code of Federal Regulations, Section 319.5. The risk analyses and rulemaking or other policy documents for each issue on this list may be in any stage of preparation, review, or clearance, but have not yet been released publicly. When a risk analysis is released for public comment or used as a basis for a proposed or final regulatory action, we will remove it from this list and add it to the list of published risk analyses, which appears at the end of this document.

**List of Risk Analyses Published in the Federal Register since July 2011 to Present\***

| Countries       | Commodites        | Date      |
|-----------------|-------------------|-----------|
| ECOWAS          | Tomato            | 12-Jun-12 |
| Philippines     | Banana            | 27-Apr-12 |
| Central America | Pitaya            | 16-Apr-12 |
| Australia       | Litchi            | 28-Dec-11 |
