Part II. Loans to Small Businesses and Small Farms

Part II of Schedule C is to be completed annually as of the June 30 report date only by branches whose deposits are insured by the FDIC.

Report the number and amount currently outstanding as of June 30 of business loans with “original amounts” of \$1,000,000 or less and farm loans with “original amounts” of \$500,000 or less. The following guidelines should be used to determine the “original amount” of a loan: (1) For loans drawn down under lines of credit or loan commitments, the “original amount” of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was **most recently** approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the “original amount” is the amount currently outstanding on the report date. (2) For loan participations and syndications, the “original amount” of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the “original amount” is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.
