STOCK MARKETS AGREE TO DISTINGUISH AFTER-HOURS AND REGULAR SESSION TRADES WITH “T” MODIFIER

The Commission today announced that the stock markets that comprise the Consolidated Tape Association (CTA) have agreed to implement a plan to help investors distinguish after-hours and regular session stock trades.

The CTA acts as the central distributor of the consolidated tape -- a high-speed, electronic system that constantly reports the latest price and volume data on sales of exchange-listed stocks. The data reflected on the consolidated tape derives from various market centers, including all securities exchanges, electronic communications networks (ECNs), and other broker-dealers. The Nasdaq Stock Market runs a similar tape for its securities. Market data vendors supply the tape data to their subscribers and newspapers use this information to produce their daily stock tables. In addition, many financial news television programs and Internet sites directly display price and volume information from the tapes.

Over the last year, the Commission has received a number of complaints from investors and issuers about confusing end-of-day securities prices. This confusion has arisen from inconsistencies among market data vendors and the media concerning when they take their end-of-day "snap shots" of stock prices. For example, some snap shots have reflected prices shortly after the end of the regular trading session at 4:00 p.m. (Eastern), while others have used prices at various times until the end of the consolidated tape operations at 6:30 p.m. (Eastern). This lack of consistency in stock prices can be particularly confusing if small volume after-hours trades result in a sharp price change from a stock's regular session closing price.

SEC Chairman Arthur Levitt said, "I commend the CTA's efforts to provide investors with more reliable and consistent end-of-day share price reports. I hope that vendors and the media will take advantage of the new tools provided by the CTA to distinguish regular session stock prices from those in the less liquid and more volatile after-hours market."

Specifically, the CTA is implementing two initiatives to assist vendors and the media in distinguishing after-hours and regular session stock prices: First, the CTA recently

began issuing a daily 4:15 p.m. (Eastern) Market Summary that more accurately reflects regular session stock prices. This summary gives a "snapshot" of the market shortly after the end of the regular trading session (the period in which more than 97 percent of the day's trading occurs). By using the prices in the Market Summary, vendors and the media can reduce investor confusion about end-of-day security prices.

Second, the CTA is implementing a mechanism to clearly identify after-hours trades on the consolidated tape. At the urging of the Commission staff, the CTA participants decided that a "T" modifier should be added to after-hours trade reports in a uniform manner. Several markets that operate after-hours trading sessions already have begun using the "T" modifier and the remaining markets with after-hours sessions have indicated that they will complete the programming necessary for this by the end of October 2000. The Nasdaq tape already uses the "T" modifier to identify after-hours trades. Vendors and the media can use the "T" modifiers to segregate after-hours transactions from end-of-day stock price summaries that are designed to reflect regular session trading activity. This should reduce investor confusion and concern about trades occurring after hours where prices diverge from prices in the regular trading session.

RULES AND RELATED MATTERS

PROCESSING REQUIREMENTS FOR CANCELLED SECURITY CERTIFICATES

The Commission is soliciting comment on proposed Rule 17Ad-19 and amendments to existing Rules 17Ad-12 and 17f-1, all under the Securities Exchange Act of 1934. Proposed Rule 17Ad-19 would require every registered transfer agent to establish and implement written procedures for the cancellation, storage, transportation, and destruction of securities certificates. The rule also would require transfer agents to: mark each cancelled securities certificate with the word "cancelled"; maintain secure storage area for cancelled certificates; have specific procedures for the destruction of cancelled certificates; and maintain an electronic data base of all of its cancelled certificates. Additionally, the Commission proposes to codify that Rules 17f-1 (the lost and stolen securities rule) and 17Ad-1 (the transfer agent safekeeping rule) apply to cancelled certificates. (Rel. 34-43401; File No. S7-18-00)

ENFORCEMENT PROCEEDINGS

CIVIL ACTION AGAINST AMERICAN IMAGING, INC., AGUSTIN BARRES AND PAUL GRANVILLE

The Commission announced that on March 9, 2000, it filed a complaint seeking a permanent injunction against American Imaging, Inc. (American or the Company), Agustin Barres (Barres) and Paul Granville (Granville). American is a Florida corporation in the business of developing Internet commerce opportunities. Barres was the president of the Company since September 1998, and Granville acted as a consultant since July 1998. American, Barres and Granville consented to the entry of the permanent injunction without admitting or denying the Commission's allegations. In addition, both Barres and Granville were ordered to pay a civil money penalty of \$10,000 pursuant to Section 21(d)(3) of the Exchange Act.

The complaint alleged that in March 1999, American issued false press releases over the Internet regarding the projected revenues and net income from the processing of minerals from a mining property, which would accrue to the benefit of American upon their acquisition of Little Dutchman, a New Mexico corporation. The complaint alleged that the representations made by American regarding the projected revenue and net income from the mining property were false and misleading because American relied on certain geological tests as a bases for the projections, while ignoring other geological tests that showed a significantly lower content of minerals in the mining property. The complaint also alleges that the representations made in the press releases were false because sufficient or proper testing was never conducted on the mining property to establish the revenue and net income projections.

Based on the above, the Commission alleged that American, through Barres and Granville, violated Section 10(b) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder. [SEC v. American Imaging, Inc., Agustin Barres and Paul Granville, Civil Action No. 00-0940-CIV-Moreno] (LR-16744)

COMMISSION SEEKS TO COMPEL INTELLIGENT DECISION SYSTEMS, INC. TO FILE DELINQUENT REPORTS

On September 29, 2000, the Commission filed a complaint in the United States District Court for the District of Columbia against Intelligent Decision Systems, Inc. (IDSI). The complaint alleges that IDSI, a company that markets and leases computer systems, failed to make available to the investing public current and accurate information about its financial condition and results of operation through the filing of periodic reports with the Commission as required by the Securities Exchange Act of 1934. Specifically, the complaint alleges that IDSI has not filed its Annual Reports on Form 10-K for the fiscal years ended June 30, 1998, 1999 and 2000; its Quarterly Reports on Form 10-Q for the fiscal quarters ended September 30, 1998, December 31, 1998, March 31, 1999,

September 30, 1999, December 31, 1999 and March 31, 2000; and nine Notifications of Late Filing with respect to its delinquent reports. The Commission seeks to compel IDSI to file its delinquent periodic reports and enjoin IDSI from further violations of Section 13(a) of the Exchange Act of 1934 and Rules 12b-25, 13a-1 and 13a-13 thereunder. [SEC v. Intelligent Decision Systems, Inc., Civil No. 1:00-CV-02341, D.D.C.] (LR-16745)

MARC NOGID SETTLES INSIDER TRADING CASE

On October 3, the Commission filed a complaint in the United States District Court for the Southern District of New York against Marc B. Nogid of New York, New York. The complaint alleges the following: Nogid received tips containing material, nonpublic information concerning the securities of four companies from Jeffrey Streich, who had received them from Marisa Baridis, a former compliance employee at two Wall Street investment firms, who had access to confidential information concerning the firms' clients. Nogid recommended the securities to others. Based on the tips, Nogid and the others collectively traded in four securities and realized illegal profits of \$162,661. Nogid served as a broker for accounts of Streich and an entity Streich controlled. In the course of trading in these accounts, Streich, with Nogid's knowledge and assistance, engaged in a free-riding scheme pursuant to which Streich purchased stock without paying for it and without enough cash to buy it on margin.

Nogid consented, without admitting or denying the allegations in the complaint, to the entry of a Final Judgment enjoining him from future violations of Sections 10(b) and 14(e) of the Securities Exchange Act of 1934 and Rules 10b-5 and 14e-3 thereunder, and requiring him to disgorge illegal trading profits of \$162,661, plus prejudgment interest. Based on his demonstrated inability to pay, disgorgement and a civil penalty were waived. Nogid also consented to the entry of a Commission Order barring him from association with any broker or dealer. The Order, to be issued shortly, will be based upon the complaint and Final Judgment. FEDERAL JUDGE GRANTS PRELIMINARY INJUNCTION, CONTINUES ASSET FREEZE IN SEC CASE INVOLVING EMULEX HOAX

The Commission announced that Judge Virginia A. Phillips granted its application for a preliminary injunction against Mark S. Jakob (Jakob) of El Segundo, California. The preliminary injunction against Jakob, which also continues the previously ordered asset freeze, was granted in response to the Commission's Complaint charging Jakob with perpetrating the August 25, 2000 Internet hoax involving a fake press release about Emulex Corp. of Costa Mesa, California. In addition to continuing the asset freeze of

more than \$400,000 in assets held by Jakob, the Court's order also enjoins him from violating the antifraud provisions of the federal securities laws, Section 17(a) of the Securities Act of 1933 and Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder. Additionally, the order prohibits Jakob from destroying or otherwise disposing of any documents, including computer records. Finally, the Court ordered the release of \$30,000 from the frozen assets for the payment of Jakob's attorneys' fees.

The preliminary injunction, asset freeze and other relief will remain in effect pending trial of this action. [SEC v. Mark S. Jakob, Civil Action No. EDCV-00-687 VAP, Mx, C.D. Cal.] (LR-16747)

DEFENDANT FREDERICK TROPEANO SANCTIONED AND, WITH DEFENDANT GOLF EMPORIUM CORPORATION, ORDERED TO DISGORGE FUNDS OBTAINED FRAUDULENTLY FROM ELDERLY INVESTORS

The Commission announced today that on September 26, 2000, the United States District Court for the Southern District of New York entered final judgments by default against defendants Golf Emporium Corporation (Golf) and its president, Frederick Tropeano. The Final Judgments permanently enjoin Tropeano from future violations of the antifraud provisions of the federal securities laws, and require Golf and Tropeano to disgorge \$3,622,014, representing the funds and benefits that Golf and Tropeano obtained as a result of their fraudulent conduct. The Final Judgments also require Golf and Tropeano to pay civil penalties of \$5,000,000 and \$1,000,000, respectively. The Court had earlier entered a partial judgment by default against Golf on January 6, 2000 permanently enjoining Golf from future violations of the antifraud provisions of the federal securities laws.

The Final Judgments result from a civil injunctive action commenced by the Commission on October 5, 1999 in which the Commission alleged that since at least January 1998, Golf and Tropeano obtained at least \$3,000,000 by using material misrepresentations, in phone solicitations and in private placement memoranda for Golf's common stock, to induce at least 193 investors -- many of whom are elderly-- to buy Golf common stock in a purported private placement. Golf and Tropeano failed to answer, plead, or otherwise respond to Commission's complaint and Amended complaint. [SEC v. Golf Emporium Corporation and Frederick Tropeano, 99 Civ. 10259, JSR, SDNY] (LR-16748)

BRIAN O'CONNOR SETTLES CHARGES THAT HE MISAPPROPRIATED FUNDS FROM HIS INVESTMENT ADVISORY CLIENTS

The Commission announced that on September 20, 2000, the Honorable Judge Deborah A. Batts entered a final judgment, on consent, in connection with a civil injunctive action filed by the Commission on August 11, 2000 against Brian W. O'Connor, the former principal of Brian W. O'Connor & Co., Inc., an investment adviser formerly registered with the Commission. Among other things, the Commission alleged that O'Connor had defrauded

two investment advisory clients by misappropriating at least \$633,000 from them, and through false and misleading account statements designed to conceal his misappropriations. The complaint also alleged that O'Connor had made several misrepresentations in his firm's Form ADV filed with the Commission, and caused books and records to be false and misleading. The final judgment permanently enjoins O'Connor from violations of Section 17(a) of the Securities Act of 1933, Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5, and Section 207 of the Investment Advisers Act of 1940, and from violating or aiding and abetting violations of Sections 204, 206(1), and 206(2) of the Advisers Act and Rules 204-2(a)(12) and 206(4)-2. The Court waived the payment of disgorgement and prejudgment interest thereon, and did not impose a civil penalty, based on O'Connor's demonstrated inability to pay. The Commission previously instituted and settled administrative proceedings against O'Connor based on O'Connor's criminal conviction for a portion of the misconduct alleged in the Commission's complaint. For further information see Rel. IA-1893, File No. 3-10269. [SEC v. Brian W. O'Connor, 00-CIV-3971, DB, SDNY] (LR-16749)

COURT ENTERS FINAL JUDGMENT AGAINST JAMES EBERHART

On September 21, 2000, the Honorable David O. Carter of the United District Court for the Central District of California entered a Final Judgment of Permanent Injunction and Other Relief against Defendant James S. Eberhart. This judgment concludes the lawsuit filed by the Commission on October 7, 1999 against Eberhart of Costa Mesa, California for fraudulently selling \$2.3 million in unregistered securities to 150 investors nationwide from January through July 1997. Eberhart sold a sale-leaseback program for point-of-sale terminals. The complaint alleged that Eberhart falsely represented that investor funds would be used to purchase terminals, when, in fact, approximately 66 percent of investor funds were used for sales commissions, administrative costs, and "returns" to investors. Eberhart failed to answer the complaint and the Court entered judgment against him by default. The judgment enjoins Eberhart against violations of the antifraud, securities registration, and broker-dealer registration provisions of Sections 5(a), 5(c), and 17(a) of the Securities Act of 1933 and Sections 10(b) and 15(a) of the Securities Exchange Act of 1934 and Rule 10b-5. The judgment orders Eberhart to pay \$76,102 in disgorgement, \$3,625 in pre-judgment interest, and \$76,102 in civil penalties. [SEC v. Debisys, Inc., Mark T. Flanagan, and James S. Eberhart, Civil Action No. SACV 99-1237 DOC (EEx) C.D. Cal.](LR-16750)
