## Part II. Loans to Small Businesses and Small Farms

Schedule RC-C, Part II is to be reported only with the June Report of Condition.

Report the number and amount currently outstanding as of June 30 of business loans with “original amounts” of \$1,000,000 or less and farm loans with “original amounts” of \$500,000 or less. The following guidelines should be used to determine the “original amount” of a loan: (1) For loans drawn down under lines of credit or loan commitments, the “original amount” of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was **most recently** approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the “original amount” is the amount currently outstanding on the report date. (2) For loan participations and syndications, the “original amount” of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the “original amount” is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.

## Schedule RC-R—Continued

Banks are not required to risk-weight each on-balance sheet asset and the credit equivalent amount of each off-balance sheet item that qualifies for a risk weight of less than 100 percent (50 percent for derivatives) at its lower risk weight. When completing items 34 through 54 of Schedule RC-R, each bank should decide for itself how detailed a risk-weight analysis it wishes to perform. In other words, a bank can choose from among its assets and off-balance sheet items that have a risk weight of less than 100 percent which ones to risk-weight at an appropriate lower risk weight, or it can simply risk-weight some or all of these items at a 100 percent risk weight (50 percent for derivatives).

**LOANS TO EXECUTIVE OFFICERS** *(Complete as of each Call Report Date)*

The following information is required by Public Laws 90-44 and 102-242, but does not constitute a part of the Report of Condition. With each Report of Condition, these Laws require all banks to furnish a report of all loans or other extensions of credit to their executive officers made **since the date of the previous Report of Condition**. Data regarding individual loans or other extensions of credit are not required. If no such loans or other extensions of credit were made during the period, insert "none" against subitem (a). *(Exclude the first \$15,000 of indebtedness of each executive officer under bank credit card plan.) See Sections 215.2 and 215.3 of Title 12 of the Code of Federal Regulations (Federal Reserve Board Regulation O) for the definitions of "executive officer" and "extension of credit," respectively. Exclude loans and other extensions of credit to directors and principal shareholders who are not executive officers.*
