FOR RELEASE April 16, 1965

SEC ORDER CITES TRIANGLE INVESTORS CORP. The SEC has ordered administrative proceedings under the Securities Exchange Act of 1934 involving the broker-dealer firm of Triangle Investors Corporation of 45 John St., New York, N. Y. Also named as respondents are Elliot Alkow, president, and Arthur Shawe, vice president, as well as four additional persons who served as salesmen, Anthony Arrabito, Benjamin Saporta, Paul Saporta and Robert Seidman.

The proceedings are based upon staff charges that during the 13-month period ended December 31, 1964, the Triangle firm and the six individuals engaged in activities violative of provisions of the Federal securities laws, including alleged violations of the anti-fraud provisions of said laws in connection with the offering and sale of stock of Arizona Biochemical Corporation.

A hearing will be ordered later to take evidence on the staff charges and afford the respondents an opportunity to establish any defenses thereto, for the purpose of determining whether the alleged violations occurred and, if so, whether any administrative action of a remedial nature is appropriate in the public interest.
