

Public Notice Submission

Provider Name: Osakis Telephone Company (ACS)

Summary: Osakis Telephone Company dba Arvig Communication Systems ("ACS") is a small rural operator providing video, voice, and data as well as other communications services in rural central Minnesota. Since incorporation some sixty years ago, Osakis's serviceable area includes portions of Todd County with significant subscribership in the communities of Osakis. Osakis Telephone respectfully requests relief and seeks withdrawal of the enclosed proposed census tracts that fall in line with Osakis's service area. Osakis Telephone owns and provides fiber optic cable broadband as well as DSL broadband services that are available to 100% of the number of households passed. Broadband services are offered at reasonable rates that remain competitive with other broadband providers throughout central Minnesota.
