

## **Public Notice Submission**

**Provider Name:** Richland-Grant Telephone Cooperative, Inc.

**Summary:** Richland-Grant Telephone Cooperative, Inc. ("RGTC") is concerned with any BTOP Application that would attempt to duplicate the Fiber-To-The-Home Highspeed Broadband network currently being deployed by RGTC. The Applications, if awarded, would substantially diminish the value of the existing private sector investment. The service territory targeted in these BTOP Applications are neither unserved or underserved.
