

## **Public Notice Submission**

**Provider Name:** Twin Valley / Ulen Telephone Company (ACS)

**Summary:** Twin Valley-Ulen Telephone Co., Inc. dba Arvig Communication Systems ("ACS") is a small rural operator providing video, voice, and data as well as other communications services in rural central Minnesota. Since incorporation some sixty years ago, Twin Valley's serviceable area includes portions of Becker, Clay, Mahnomen, and Norman Counties with significant subscribership in the communities of White Earth, Ulen, Twin Valley, Mahnomen, Gary, Wauban, Flom and Tulaby. Twin Valley respectfully requests relief and seeks withdrawal of the enclosed proposed census tracts that fall in line with Twin Valley's service area. Twin Valley-Ulen Telephone owns and provides fiber optic cable broadband as well as DSL broadband services that are available to 100% of the number of households passed. Broadband services are offered at reasonable rates that remain competitive with other broadband providers throughout central Minnesota.
