

## **Public Notice Submission**

**Provider Name:** Wilson Communication Co Inc dba Wilson Communications

**Summary:** Wilson Communications has been providing high quality and leading technology telecommunications services to rural Kansas for more than sixty years. Wilson began offering high speed internet access service to its customers in the late 1990's. We continued to expand our fiber network and now can provide broadband services to 100% of our customers. Wilson Communications continues to make investments in fiber optic facilities to ensure our customers have access to the latest broadband technology. We provide broadband to critical community anchor institutions including schools, rural health clinics, and public libraries. We are a full service provider of communications services, including transport services, and are able to bundle services offering discounts to our customers. Wilson Communications is a community based company, providing volunteerism, and other forms of support to each the seven communities we serve.
