

Public Notice Submission

Provider Name: Duo County Telephone Cooperative Inc.

Summary: We are committed to making the Duo County service area one of the most connected in Kentucky. Today, all Duo County customers have access to our high-speed Internet through cable modem or DSL or FTTH. There is no unserved area within our service area. Most customers within this area have access to high-speed Internet access although some have elected to chose lesser speeds. This area is not underserved per your definition.
