

Public Notice Submission

Provider Name: West Iowa Telephone Company

Summary: West Iowa Telephone Company demonstrates that it provides broadband service within the census tracts listed herein and that the listed tracts are neither unserved nor underserved. All communities and subscribers within West Iowa Telephone Company's service area within the listed census tracts have access to adequate and affordable middle mile transport facilities as well as last mile broadband service. 100% of households in West Iowa Telephone Company's service territory within the listed census tracts are able to readily subscribe upon request to facilities-based, terrestrial broadband services with an advertised speed of greater than the minimum broadband transmission speed as set forth in the definition of broadband. As such, the proposed service areas contained in the applications that are currently served by West Iowa Telephone Company should not be eligible for funding.
