Recovery Act:

Florida Highlights

Since the enactment of the Recovery Act in 2009, the U.S. Department of Health and Human Services has made **\$6.6 billion in stimulus funds available in the State of Florida*** for Community Health Centers, universities and other institutions in the State to provide fiscal relief, improve and expand access to health care, provide child care and other social services for its most vulnerable citizens, establish the infrastructure for health information technology, and conduct scientific research.

This includes:

- **\$5.3 billion** for the increased Federal share (FMAP) of State Medicaid costs.
- **\$240.9 million** for Temporary Assistance for Needy Families (TANF), including **\$129.4 million** for subsidized employment programs.
- **\$239.4 million** for health IT, including:
 - **\$178.6 million** for Florida's Medicaid Electronic Health Record incentive program for implementation and payments to providers and hospitals.
 - **\$20.7 million** to the Florida Agency of Health Care Administration to facilitate health information exchange.
 - **\$6.4 million** to the University of South Florida to create a Regional Extension Center to provide health IT support to doctors and other providers.
- **\$227.7 million** for scientific research and facilities, including:
 - **\$14.8 million** for a Neuroscience and Health Annex for brain research at the University of Miami Coral Gables.
 - **\$14.7 million** for a research facility to improve the health of older Americans at the University of Florida.
- **\$105.4 million** for the Child Care and Development Fund to increase access to child care and improve quality.
- **\$103.7 million** for Early Head Start and Head Start to expand services and improve quality.
- **\$88.6 million** for Community Health Center construction, renovation, equipment, and health information technology (IT), including:
 - **\$5.4 million** for Ruskin's Suncoast Community Health Center for increased demand, construction, and equipment.
 - **\$2 million** for Tallahassee's Bond Community Health Association for new service sites, increased demand, construction, and equipment.
- **\$28.3 million** for the Community Services Block Grant for community action agencies to assist low-income residents.
- **\$14.7 million** for the Communities Putting Prevention to Work initiative for Miami-Dade County Health Department to fight obesity, and **\$6.6 million** for the Orange County Health Department's programs targeting tobacco.
- **\$7.2 million** for meals and nutrition services for the elderly.
- **\$5.8 million** for immunization programs.
- **\$5.7 million** to support 124 National Health Service Corps clinicians providing primary health care in Health Professional Shortage Areas.
- **\$1 million** to support programs to help seniors better self-manage chronic diseases.

**The total funding in this document is based on the HHS Sept. 30, 2011, Financial and Activity Report (FAR) for the Recovery Act, available at the Department's website, <http://www.hhs.gov/recovery/reports/index.html>, except for FMAP, which is based on the Oct. 21, 2011, FAR and FMAP obligations of \$766 million in Recovery Act funds extended by P.L. 111-226. The highlights are a selection of programs funded by the Recovery Act and do not add up to the total funding within the State.
