${ }^{1}$ May include rear-facing child restraint seats, forward-facing child restraint seats, and booster seats.
${ }^{2}$ Virtually every State exempts persons who for medical reasons cannot use a seat belt and vehicles not originally required to be equipped with seat belts.
${ }^{3}$ The word "all" used in this category means that everyone in the vehicle must be restrained. For children, that may be in a child restraint.
${ }^{4}$ Exemptions for emergency vehicles and buses generally do not apply to the driver.
${ }^{5}$ Children 1 year of age and under or $<20 \mathrm{lb}$ must be in rear-facing child restraint; under 5 years or $<40 \mathrm{lb}$ in forward-facing child restraint; booster seat until age 6 .
${ }^{6}$ To enforce the seat belt law, the officer must personally observe the violation or have another reason to stop the vehicle.
${ }^{7}$ If a motorist is wearing a seat belt when stopped for another violation, the fine for that violation is reduced by $\$ 10$.
${ }^{8}$ Children 6 years of age or at least 60 lb may be in a seat belt.
${ }^{9}$ Primary enforcement if the driver is under 17 years of age.
${ }^{10}$ Children under 1 year of age and $<20 \mathrm{lb}$ must be in rear-facing infant seat; $1-3$ years and $20-40 \mathrm{lb}$ in forward-facing child seat; $4-5$ years and $<55$ inches in booster seat. Secondary enforcement for children 4-5 years required to be in booster seats.
${ }^{11}$ Children under 1 year of age or <20 lb must be in rear-facing restraint system; 4 years and older in "student transportation" (not a school bus) in child seat or seat belt. Booster seats may be used only in seating positions with lap and shoulder belts.
${ }^{12}$ Plus 2 points on license record.
${ }^{13}$ Child restraint requirement is satisfied for children 3 or 4 years old if restrained in a seat belt; 5 years and under must be in rear seat if available.
${ }^{14}$ Drivers may be fined up to $\$ 100$ and seat passengers $\$ 50$ for each passenger under 16 years old not wearing a seat belt.
${ }^{15}$ Includes $\$ 45$ fine and $\$ 10$ surcharge for neuro-trauma special fund.
${ }^{16}$ Effective January 1, 2007.

[^1]:    Source: Fatality Analysis Reporting System (FARS).

[^2]:    ${ }^{17}$ Children $>40$ pounds may be restrained by a lap seat belt if: (1) the vehicle is not equipped with lap and shoulder seat belts; or (2) all lap and shoulder seat belts are being used to properly restrain other children <16 years of age (not including the operator's seat and the front passenger seat).
    ${ }^{18}$ The requirement for drivers to assure that children 15 years and under in all seats are belted does not apply to holders of an Indiana driver's license.
    ${ }^{19}$ Children <1 year of age and $<20 \mathrm{lb}$ must be in rear-facing child seat; 3 years or older but $<6$ years may be secured in child restraint, seat belt, or safety harness.
    ${ }^{20}$ If the number of children subject to these requirements exceeds the number of passenger securing locations available for use by children, and all securing locations are in use by children, the requirement is waived for the additional children.
    ${ }^{21}$ Primary enforcement begins $1 / 1 / 07$; until then, "courtesy notices" will be given as part of educational phase.
    ${ }^{22}$ Children <1 year of age or <20 lb must be in rear-facing child seat; 1 to 4 years and 20 to 40 lb in forward-facing child seat; 4 to 6 years and 40 to 60 lb in booster seat.
    ${ }^{23}$ A driver does not have to comply with this requirement if the number of children to be secured exceeds the number of seat belts available. Unsecured children must be seated in other than the front seat, and all front seat passengers must be secured. For pickup trucks, if all seat belts are being used and the vehicle does not have an extended cab or jump seats, unsecured children may be in front seat without a seat belt.
    ${ }^{24}$ The seat belt requirement does not apply to persons riding in a vehicle with all available seat belt positions occupied.
    ${ }^{25}$ Primary for children <16 years of age.
    ${ }^{26}$ Exemption for persons who cannot use a seat belt because all available seat belts are in use.

[^3]:    ${ }^{27}$ On July 1,2007 , the fine for a rear seat passenger will be $\$ 10$ and no court costs, with secondary enforcement of violations occurring in the rear seat.
    ${ }^{28} \mathrm{In}$ vehicles with front side passenger air bags, a child $<5$ years of age and $<40 \mathrm{lb}$ shall be properly secured in the rear seat unless the child restraint system is designed for use with air bags.
    ${ }^{29}$ Primary enforcement for all positions if occupant is <18 years of age.
    ${ }^{30}$ The requirement to use either a child restraint system or a seat belt does not apply either (1) to a child if all available seat belts in the vehicle are in use by other family members or (2) to a child being transported in an emergency situation.
    ${ }^{31}$ Seated in rear seat if available.
    ${ }^{32}$ Plus 2 points on driving record.
    ${ }^{33}$ Children <1 year in a of age in rear-facing infant seat, in rear seat if available; 1-4 years or <40 lb in child safety seat; 5-6 years or <60 Ib in booster seat.
    ${ }^{34}$ Plus 3 points on license record if the violation involves a child under 16 years of age. Front seat passengers 16 years and older can be fined up to $\$ 50$ and drivers can be fined up to $\$ 100$ for each passenger <16 years not wearing a seat belt.
    ${ }^{35}$ School buses sold in the State must be equipped with seat belts. Board of Education, via regulations, may provide that on school buses under its jurisdiction, seat belts be used when vehicle is in operation.
    ${ }^{36} \$ 30$ driver, $\$ 20$ passenger.
    ${ }^{37}$ Children $>40 \mathrm{lb}$ may be belted in rear seat by a lap belt if vehicle is not equipped with lap and shoulder belts or when the lap and shoulder belts are being used by other children.
    ${ }^{38}$ Children 3 years of age or younger and $<40 \mathrm{lb}$ in child restraint seat; $4-5$ years or $40-60 \mathrm{lb}$ in booster seat.
    ${ }^{39}$ Fine is $\$ 10$, but with court, EMS, judicial, and computer costs the ticket total is $\$ 51.50$.
    ${ }^{40}$ Secondary enforcement for children 4-7 years of age, who must be in booster seats.
    ${ }^{41}$ Primary enforcement for drivers and occupants <18 years of age.
    ${ }^{42}$ Children 6 years of age and under must be in rear seat if available.
