---	-------	---	-----------	--------------	----	---

TBD = To be determined

PLEASE NOTE:

1. Change to the NIFA-666 form, new grantees must certify that they are not delinquent on their federal taxes.
2. Other Provisions might need to be included on a specific award. Those listed here are known requirements based on the particular program.
3. Other Attachments to the Terms and Conditions might apply to an award. Those listed here are known requirements based on the particular program.
4. Reimbursable funds assume the same characteristics and idiosyncrasies as the program they are supporting.
5. Include the yearly breakout provision for **matching**, as applicable.
6. For all conference awards, include conference provision
7. All competitive programs require congressional notification
8. Regarding FDC for line items; you can no longer rely on the FDC to determine which program an award is under. Look at the Treasury symbol --- Fed. Admin. Research and Special Research projects are funded under Treasury symbol 12(0)1500 and Fed. Admin. Extension is funded under Treasury symbol 12(0)0502.
9. All continuation proposals, EXCEPT the first year increment MUST include the annual financial report and CRIS progress report before the award can be made.
