**SUBJECT:** Supplemental Nutrition Assistance Program (SNAP) – Elimination of the Eight-Month Time Limit for Iraqi and Afghan Special Immigrants

**TO:** All Regional Directors  
Supplemental Nutrition Assistance Program

The Department of Defense Appropriations Act of 2010 (Section 8120, P. L. 111-118) enacted on December 19, 2009, provides that Iraqi and Afghan Special Immigrants (SIVs) are eligible for federal public benefits to the same extent and for the same time period as refugees. The new legislation supersedes prior legislative authority that limited SIVs to refugee status for an 8 month time period. Specifically, the legislation amends prior authority under the National Defense Authorization Act of 2008 (P.L. 110-181) and the Afghan Allies Protection Act of 2009 (P.L. 111-8) that provided SIV eligibility of benefits for a period not to exceed 8 months from the date the immigrant was granted SIV status. The new legislation provides that SIVs are eligible for all benefits available to the same extent and for the same period of time as refugees pursuant to Section 207 of the Immigrations and Nationality Act. Provided that other eligibility requirements are met, refugees are eligible for SNAP indefinitely.

The application of this provision is not retroactive, and therefore, those persons whose eligibility expired due to the 8 month eligibility time period under the prior legislation must reapply for benefits. However, current SIV recipients who were certified prior to the legislation remain eligible until their certification period ends and can be recertified. State agencies that discover or become aware of any Iraqi and Afghani special immigrants who were denied because of the expiration of their eligibility time period on or after the date of enactment of this provision should reconsider those denials pursuant to the new eligibility provisions. State agencies are encouraged to develop outreach strategies to encourage Iraqi and Afghan SIVs who had reached the 8 month time limit prior to the enactment of the legislation to reapply for SNAP benefits.
