EISENHOWER, DWIGHT D.:  
PRE-PRESIDENTIAL PAPERS, 1916-52

SECONDARY FILE

Description

The Secondary File of Eisenhower's Pre-Presidential Papers was created by Eisenhower's staff to house the routine correspondence he received from members of the general public. A lot of this correspondence never received a response. The bulk of this file covers 1946 to 1952, although the first series has some correspondence dating back to 1941. Besides routine greetings requests for autographs and photographs, invitations, declinations, and letters expressing gratitude and acclamation for his leadership during the war, this collection has about fifty-five boxes of letters, petitions, telegrams, and post cards dating from 1948 to 1952 which urge Eisenhower to run for public office.
