RE: Request for Correction of ATSDR Mixtures Guidance Document

Dear Mr. Slaughter:

I am writing regarding your request dated December 5, 2005, for correction of information in the Agency for Toxic Substances and Disease Registry (ATSDR) Mixtures Guidance Document filed on behalf of the Kansas Corn Growers Association, the Triazine Network, and the Center for Regulatory Effectiveness. Unfortunately, our response to you is still in review and we will not be able to meet the response extension deadline of August 6, 2006. We anticipate that a response will be sent to you on or before October 6, 2006.

Thank you for your interest in the quality of information disseminated by ATSDR. Should you have any questions, please contact me on 404-498-0003.

Sincerely,

Gina T. Mootrey, D.O., MPH  
Acting Associate Director for Science  
National Center for Environmental Health/  
Agency for Toxic Substances and Disease  
Registry
